

# CARDIFF MUSTANGS

## PARENT STEP BY STEP

### Step 1 - At Home Before Practice

1. Does he/she have a fever or cough; if yes do not attend.
2. Is he/she experiencing any loss of taste or smell; if yes do not attend.
3. Is **he/she** feeling ill in any way: if yes do not attend.
4. Did he/she go to the bathroom before leaving.
5. Did he/she pack water and a mask.

### Step 2 - Arriving at Facility

1. Arrive during your designated drop off window. Please see field maps for designated areas and please do not be late where possible.
2. Player exits car with water, soccer equipment and mask on.
3. Coach will direct Child to designated spot in queue - 6 feet apart.
4. Coaches will ask Health screening questions & confirm ability to play.
5. The player will use hand sanitizer and be directed by club staff to designated areas.

### Step 3 - After Practice

1. Practice will end at the exact time stated for your team - please do not be late for pick up as this affects the following group.
2. On coach's instruction, collect bags on sideline - 6 feet apart.
3. From sideline to designated spot in queue to pick up area - 6 feet apart.

Drive Safe!!
